JUNE 18- JUNE 25, 2010

Words cannot describe what it is like being in the Languedoc in the summer.

The Languedoc region is one of those special places on earth.

The Goddess energies permeate the region with feelings of love, nurturing, healing, blessing and spiritual guidance and support.

The Old City of Carcassonne

The Languedoc is the **ideal place to study energy healing** in nature.

The vibrant, life-giving and pure waters coming directly out of the mountains, the fresh, non-polluted air, the many splendid butterflies and birds, the nutrient rich soils, the slow pace of life, the gorgeous flowers in full bloom all around, the intoxicating perfume of the Spanish Broom which pervades the atmosphere, and the palpable sacredness of the land we walk on... all make this journey one of the highlights and great blessings of a lifetime.

This is truly a heaven on earth!

Renew your life! Bathe in the many healing waters present. Gently exercise your body each morning with yoga. Receive many healings during your initiations & in the forms of Anointment Healing, and Sound Healing.

Renew your spirit as you walk this sacred land on a sacred site journey of a lifetime. Visit the Cave of the Magdalene, the Magdalene Church at Rennes-le-Château, the last Cathar stronghold at Montségur, several water sources dedicated to the Magdalene, the Angel Sanctuary at Rennes, the Throne of Isis, the Saint Paul Monastery carved out of rock at the Gorges de Galamouse, the aromatherapy fields at Golgemma, Templar ruins... and much more. **We suggest you think about** personally staying on longer in France to explore any other mystical and magical influences of the area. Arrangements for this are up to you.

WE HOPE THAT YOU WILL JOIN US AND SHARE IN THE SACRED MAGIC AND THE MYSTERY!

Your Seminar Leaders have a combined 100 plus years of experience in leading individuals in group processes. Also we have 35 years of experience in this region!!! Go with experience... go with the best!

I am making application to Flowering Heart™ Academy of Vibrational Healing for the Mystical French Adventure at La Val Dieu in the south of France from Thursday, June 18 (late afternoon or early evening arrival) through Thursday, June 25, 2010 (morning departure). **I understand the space limitation & that enrollment is on a first come, first served basis.** I have enclosed a \$995USD (\$995AUD) non-refundable but transferable deposit (or paid it through Pay Pal) by credit card to hold my place in the seminar/tour.

The early bird discounted price for the seminar & tour is \$3195USD [\$3395AUD for Australia, New Zealand], which includes tuition, room and board (two meals a day) for 7 full days (June 19-June 24) [dinner only on the night of Thursday, June 18 and breakfast only on June 25], most tour costs, and all travel costs to all tour sites. There are a few lunches and one dinner you will be paying for separately. If you plan on arriving earlier than June 18 and/or staying later than June 25, you must make your own arrangements for room and board. The price does not include airfare to France, or train or autobus or taxi cost to and from Quillon or La Val Dieu when you arrive and leave.

You must make your own travel arrangements. You fly into Carcassonne. Then you will have to take a train or autobus to Quillon (if the group rises beyond the capacity of La Val Dieu) or directly to La Val Dieu. The autobus ride from Carcassonne is much less expensive than if you fly in to Toulouse and autobus to Quillon or directly to LVD from there. Ask your travel agent to coordinate your flight arrival into Carcassonne and your train or autobus ride to Quillon or LVD. La Val Dieu phone number is ☎ 04687 42321. It is recommended to autobus directly to La Val Dieu (or Quillon).

What To Bring & Other Considerations

A notebook, a journal, a pen/pencil; a camera, 5-10 rolls of film - you will want to take lots of pictures - believe us; sun tan lotion, a bathing suit, a large beach towel, a hat; rain gear; a good pair of sneakers &/or hiking boots, thongs or sandals for bathing, a long sleeve shirt and long pants for woods hiking; some warm clothes for cool evenings (local temperature should be between 75-90° F (24-32° C) in the day and 50-65° F (10-18° C) in the evening); a back pack; your favorite pendulum; spending cash converted into Euro dollars - convert outside the airport as you will usually get a better rate; a flash light, extra batteries for your camera and flash light; a camcorder if you have one; if you want to rent your own car, make the arrangements state side for a better deal.

Please do a little hiking or some other form of exercise in preparation for this trip. We will be hiking a lot.
