## Cleanse, Rejuvenate, Rebuild... a 2 day practical "fun-shop"

Now is the time to prepare yourself for the rest of your life.

Now is the time to prepare yourself for summer.

Now is the time to cleanse, rejuvenate and rebuild your body.

## "Let your food be your medicine & your medicine be your food"

**With this statement** made nearly 2500 years ago by the Grandfather of modern medicine, Hippocrates "hit the nail on the head." With a dismally failing record of health and healing where doctor/hospital caused death is the number one killer on the planet (from the medical industry's own unadvertised statistics) it is time now to listen to the industry's founder.

Join US certified naturopath, Dr Robert March, BS, ND in this weekend course to reclaim, re-establish, and enhance your health. For 39 years Dr March has been a practitioner, student and teacher of the **Cursio-D'Adamo Diet** as one of the best, time proven, and surest means to cleanse, rejuvenate, and rebuild your health, one cell at a time. Remember life comes from life! Remember health is your greatest wealth! Please don't procrastinate... act now!
