Up Front Opening

Hello dear Ones. I have recently returned from two wonderful weeks in Mother India at Golden City going through the process on becoming a Oneness Trainer. My teacher Sri Bhagavan is now making it much easier and very affordable to become a Oneness Blessing initiator and a Oneness Blessing giver. For full details on the process please visit my web pages:

http://www.bhagavandharma.org/oneness_blessing.htm and <http://www.bhagavandharma.org/darwin.htm#OBGiver> and http://www.bhagavandharma.org/oneness_awakening.htm.

We had our first big 64 Deeksha Day guided by Lisa and Pasquo. Fifty two Adelaide Oneness Blessing givers including my partner Ahilya who had just become a Blessing giver participated in this six hour event. As you can imagine giving and receiving 64 deekshas over this period of time is a VERY powerful way to be flooded with supreme BLISS!!!

If you are not a Blessing giver and want to become one to share this great blessing that is helping us all prepare for the Shift of the Ages, you can do so on 14-15 of August when I and my friend Vicky Green will guide you through this wonderful two day process. For details please go to: http://www.bhagavandharma.org/oneness_awakening.htm.

My dream for 2010 is found on my website at <http://www.bhagavandharma.org/2010.htm>.

Do **ENJOY** your June/July issue and REMEMBER, **the Golden Age** is right around the corner... so keep the faith (I know it seems difficult at times), stick in there, get the help and support you need, eat good food, take walks in nature, pray, love, trust, and keep good company. Peace be with you dear One!

For the up-coming months please act by your support and participation with any of the following events that resonate with your heart and divine intelligence:

Full details on each event are available by clicking on the website link that follows each brief description. Thank you in advance... in oneness!!!

Robert and Ahilya will be bringing Jethro and Prem from Sacred Earth to Adelaide for a concert and a workshop in February 2011. To express your interest in these 2 events, please email Robert by [CLICKING HERE](#).

Robert recently travelled to Darwin for two workshops on Sound Healing and his first Oneness Awakening course. For full details please visit:

<http://www.bhagavandharma.org/darwin.htm>

Robert has recently spent nine days in the presence of the Siddha Master Swami Nityananda in the experience of Bliss through chanting and meditation. He wants to express his deep gratitude to the God realized Swami and for the experience of being in the presence of Lord Krishna as Swami Nityananda was leading a Krishna chant.

This is my magnum opus. It took 12 years to create the CD version of this book. It is the result of 54 years of the gradual unfoldment of my connection to Yeshua Magdalena, first through the divine feminine at the age of seven, then Yeshua showing me there was no death at the age of 18, followed by an initiation in my dreams by an Avatar of Love whose image used to turn into the image of Yeshua. This connection to Yeshua Magdalena unfolded more deeply through eight visits to the Languedoc region of the south of France over a 12 year period from 1999-2010.

To learn more or to order the CD containing over 3500 pages of research and my Yeshua Magdalena Ebook, please go to: http://www.bhagavandharma.org/yeshua_magdalena.htm.

The book that now provides an historical sketch of the westerners' earliest encounters with Sri Amma Bhagavan and the Oneness Blessing process beginning in 2003. Still useful for those becoming Oneness Blessing givers through the worldwide Oneness Awakening classes. This book is a personal account of my conscious 39 year journey of self discovery that eventually led me to the Lotus Feet of the husband and wife team of Sampurna Avatars, or full embodiments of the Divine Consciousness. You can read some of the hundreds of testimonials of this living book carrying Sri Amma Bhagavan's Grace here - http://www.bhagavandharma.org/bringers_of_the_golden_ball.htm#Testimonials.

Mystical French Adventure June 16-24, 2011

Madeline and child holding the Golden Ball of Divine Grace

Life is an amazing mystery. When I take the time to reflect on the grace that has blessed my life I am thrilled to the core of my being.

It is often difficult to believe in a miraculous turn of events that is unfolding in the inner world. With fear being broadcast every hour by the major media it is time to turn off the fear-mongers and pray and meditate, chant and sing, have fun.

As a child up until the age of 15 or so I was always connected to the oneness of nature... running free. Then the harsh nature of the ancient mind crept in more and more as I watched people living in separation work to their own personal advantage at the expense of their fellow man.

I bit strongly on the apple from the tree of the knowledge of good and evil. Being a sensitive little bugger, it was very upsetting to my tender heart to watch this.

I saw the problem and it almost killed me.

Now I know the solution and I pray and work for it to manifest every day.

The solution is revealed at the altar of the divine in the church in Montsegur, as pictured above.

The divine Mother (Mary Magdalene) is pictured with her son John (the Beloved disciple) and they are both holding the golden ball of divine Grace in their hand.

This golden ball of divine Grace is transmitted into the energy field of the recipients of the Oneness Blessing. This blessing then works its mystical magic to change the way the brain and endocrine glands work. It quiets the centers of separation and fight or flight and activates the centers of love, joy and oneness.

All healing and effective energy work does this same thing to varying degrees or at least prepares the body to receive the Oneness Blessing, and the Yeshua/Magdalene initiation. The Nine Rites of the Munay Ki work to the same end. The Yeshua/Magdalene initiation works to the same end.

The miraculous turn of events that will sweep over the consciousness of humanity as we head to 2012 will be the awakening of the consciousness of humanity to the divinity of man.

All of our **sacred site tours** are dedicated to this end.

2012

Welcome to my newest section of the Flowering of the Heart newsletter. In this section I will be reporting on the Shift of the Ages that has been independently spoken about and prophesized by many different individuals and cultures over millennia. The Hopi, the Kahunas, the Mayans, the Incas, the Aborigines, Sri Krishna, Sri Bhagavan, and others have all made statements foretelling the fabulous times ahead.

The 2012 Article for this month is called Alignment 2012. It was too long for the body of the newsletter so you will find it at the following weblink:

http://www.bhagavandharma.org/pdf-documents/Alignment_2012.pdf

Till next time...

In Oneness, Health, Love, Light, Peace, Abundance, and Infinite Blessings,
