Up Front Opening

Hello dear One. Hope you are fairing well as we all ride the waves on the transitional ocean from Kali to Sat Yuga.

Graciously, I am staying on track by chanting and sound healing and watching my mind movie twice a day. I also view Sri Bhagavan's eye deeksha on a regular basis:

http://www.bhagavandharma.org/oneness_blessing.htm

Please do what you need to do to stay open hearted, rested, happy, and peaceful.

I have just started helping my friend Stuart Jemesen on his work as the executive producer of the incredible documentary [The Time of the Sixth Sun](#). We are working to raise the last 1.5 million USD necessary to complete the film (it is now about 80% completed). If you know of any millionaires or any one else in your world who would like to invest or donate in this project, please let me know at:

timeofthesixthsun@dodo.com.au .

My dream for 2010 is found on my website at <http://www.bhagavandharma.org/2010.htm>.

Also you may view my mind movie: <http://www.bhagavandharma.org/2010.htm#mindmovie>

Do **ENJOY** your September/October issue and REMEMBER, **the Golden Age** is right around the corner... so keep the faith (I know it seems difficult at times), stick in there, get the help and support you need, eat good food, take walks in nature, pray, love, trust, and keep good company. Peace be with you dear One!

This is my magnum opus. It took 12 years to create the CD version of this book. It is the result of 54 years of the gradual unfoldment of my connection to Yeshua Magdalena, first through the divine feminine at the age of seven, then Yeshua showing me there was no death at the age of 18, followed by an initiation in my dreams by an Avatar of Love whose image used to turn into the image of Yeshua. This connection to Yeshua Magdalena unfolded more deeply through eight visits to the Languedoc region of the south of France over a 12 year period from 1999-2010.

To learn more or to order the CD containing over 3500 pages of research and my Yeshua Magdalena Ebook, please go to: http://www.bhagavandharma.org/yeshua_magdalena.htm.

You can now read a synopsis and two chapters at:
<http://www.bhagavandharma.org/pdf-documents/Synopsis.pdf>

The book that now provides an historical sketch of the westerners' earliest encounters with Sri Amma Bhagavan and the Oneness Blessing process beginning in 2003. Still useful for those becoming Oneness Blessing givers through the worldwide Oneness Awakening classes. This book is a personal account of my conscious 39 year journey of self discovery that eventually led me to the Lotus Feet of the husband and wife team of Samporna Avatars, or full embodiments of the Divine Consciousness. You can read some of the hundreds of testimonials of this living book carrying Sri Amma Bhagavan's Grace here - http://www.bhagavandharma.org/bringers_of_the_golden_ball.htm#Testimonials.

Magical Mystical French Adventure June 16-24, 2011

Tour The Magdalene France

join us in 2011

Life is a miraculous adventure. Often we forget or fail to notice that our journey has been guided since before we were born. I look back and observe how the central theme of my life has been guided in its slow yet steady unfoldment.

As a child I had no knowledge of the spiritual dimensions but I was deeply connected to those realm through a feeling of oneness... a knowing that I was connected to all beings and to all nature. Feeling separate or forgetting oneness has been the source of all my pain and suffering as it is the source of pain and suffering for us all.

On the road to recovery from the disease of separation I was guided to the south of France. There I found something unexpected. I found the thread that had guided me since I was first conscious of the spiritual dimension in this life. I found the thread of Yeshua Magdalena.

This is a huge realization. What on the surface looks like separation is at its core oneness.

The mind will come up with all kinds of reasons for it not to be so, but the heart knows the truth. And the truth is oneness.

The ONLY BEING is our Mother, our Father, our Friend, our Lord, our Saviour, our Child. And the ONLY BEING, in order to be known, comes down from the REALMS of ONENESS into the PLANE of DENSITY in the name, place, and form that is required by the people of all times, places, and ages. The most potent versions of the ONLY BEING have come in the form of the Prophet and the Avatar in both male and female bodies.

We are best able to receive the ONLY BEING when we are relaxed, feel supported, are surrounded by nature, feel strong, flexible and alive, eat high energy nutritious foods, drink high energy vortexian pure water, listen to or sing/chant soul elevating music, and often it helps when we are on vacation from our normal routine.

All the above describes what you will find when you join us in the Goddess filled region of the Magdalene France. We would love to meet you there. Please join us.

2012

Welcome to my newest section of the Flowering of the Heart newsletter. In this section I will be reporting on the Shift of the Ages that has been independently spoken about and prophesized by many different individuals and cultures over millennia. The Hopi, the Kahunas, the Mayans, the Incas, the Aborigines, Sri Krishna, Sri Bhagavan, and others have all made statements foretelling the fabulous times ahead.

The three 2012 Articles for this issue are called:

1. Spiritual Mastery and 2012 by Jose Arguelles
2. Mary Magdalene and 2012.
3. The third article is called Indigenous 2012.

They are all too long for the body of the newsletter so you will find them at the following weblinks:
