Shamans know that preparation is everything. The elders of many ancient and modern cultures have all called on humanity to prepare for the Great Shift of the Ages. Look at what some of the [13 groups of elders](#) have said:

Mayans	Call it the end of time as we know it and the emergence of a new consciousness.
The Hopi	Predict a 25 year period of purification followed by end of the Fourth World and beginning of the Fifth.
Hindus	Kali Yuga (end time of present consciousness, the Ancient Mind of man)... the Coming of the Kalki Avatar & the critical mass of Awakened Ones.
Aztecs	Call this the Time of the Sixth Sun... a time of transformation and the creation of a new race... homo luminous.
Tibetans	Kalachakra teachings are prophesies left by Buddha predicting the coming of the Golden Age.
Avatars	Before the last Avatar, Sri Ramakrishna, left the planet he predicted that the next Great Light that would come to transform the Earth would emerge in the Chittoor district where three states of India meet. The Jivashram School founded by Sri Amma and Sri Bhagavan is located where the three states of Karnataka, Andra Pradesh and Tamil Nadu meet. Sri Amma & Sri Bhagavan are the technicians who developed the Oneness Blessing.
