I am making application to Flowering Heart™ Academy of Vibrational Healing for the Mystical French Adventure at La Val Dieu in the south of France from Thursday, June 16 (late afternoon arrival) through Friday, June 24, 2011 (morning departure). **I understand the space limitation & that enrollment is on a first come, first served basis.** I have enclosed a \$995USD (\$995AUD) non-refundable but transferable deposit (or paid it through Pay Pal) by credit card to hold my place in the seminar/tour.

The early bird discounted price for the seminar & tour is \$3195USD [\$3395AUD for Australia, New Zealand], which includes tuition, room and board (two meals a day) for 7 full days (June 17-June 23) [dinner only on the night of Thursday, June 16 and breakfast only on June 24], most tour costs, and all travel costs to all tour sites. There are a few lunches and one dinner you will be paying for separately. If you plan on arriving earlier than June 16 and/or staying later than June 24, you must make your own arrangements for room and board. The price does not include airfare to France, or train or autobus or taxi cost to and from Quillon or La Val Dieu when you arrive and leave.

You must make your own travel arrangements. You fly into Carcassonne. Then you will have to take a train or autobus to Quillon or to La Val Dieu. The autobus ride from Carcassonne is much less expensive than if you fly in to Toulouse and autobus to Quillon or directly to LVD from there. Ask your travel agent to coordinate your flight arrival into Carcassonne and your train or autobus ride to Quillon or La Val Dieu. It is possible that La Val Dieu has a resident that provides a taxi service to La Val Dieu at reasonable rates. You can book with La Val Dieu at ☎ 04687 42321 or just autobus directly to La Val Dieu or Quillon (autobus is highly recommended).

What To Bring & Other Considerations

A notebook, a journal, a pen/pencil; a digital camera – you will want to take lots of pictures – believe us; sun tan lotion, a bathing suit, a large beach towel, a hat; rain gear; a good pair of sneakers &/or hiking boots, thongs or sandals for bathing, a long sleeve shirt and long pants for woods hiking; some warm clothes for cool evenings (local temperature should be between 75-90° F (24-32° C) in the day and 50-65° F (10-18° C) in the evening); a back pack; your favorite pendulum; spending cash converted into Euro dollars – convert outside the airport as you will usually get a better rate; a flash light, extra batteries for your camera and flash light; a camcorder if you have one; if you want to rent your own car, make the arrangements state side for a better deal. **Please do a little hiking or some other form of exercise in preparation for this trip.** We will be hiking a lot. Some of the hikes are moderately difficult so please get in walking shape ahead of time. You may want to learn some basic French if you desire to converse with the locals. The folks at La Val Dieu all speak English. You have a choice to participate in the local ecological consciousness (recommended) of La Val Dieu and use the outhouses there, although there are indoor toilet facilities. Water is plentiful. However, conscious use of it in showering is recommended. Some accommodations are dormitory style. Private accommodations are assigned on a first come, first served basis & cost extra. **Let us know well ahead of time if you have any special food considerations.**

(Use an extra sheet of paper if necessary. Please include/send a recent photo of yourself with your App.)
