Proclamation of Priesthood in the Temple of the Living Earth

In the tradition of our forefathers/mothers, and through the Grace of the One and Only Being, I, **Robert Chamberlain March**, do hereby and henceforth proclaim my initiation and ordination into the sacred Priesthood of the Temple of the Living Earth.

I acknowledge and proclaim my unity with the sacred consciousness of the Green Man and Mother GAIA who support, protect, purify and enlighten all sentient beings here on Earth. The Green Man is called Kidr in the Egyptian Chisti Sufi lineage and has been guiding humanity to the Love/Light since the first man (Adam) has been in creation. Kidr is the embodiment of the Spirit of Guidance.

Intention Statement

It is my intention to serve the Spiritual Government of the World with sincerity, simplicity, devotion and dedication, honoring, at all times the Divine Father/Mother God in all sentient beings.

It is my intention to be open to the Divine Guidance in order to be directed at all times as to the form my service shall take and the places it shall take me.

I place the skills that I have been gifted with, and, through Grace, shall continue to be gifted with, at the feet of the Divine Mother/Father God, the Only Being, and ask to be used for the purpose that **Thy Wisdom chooses**.

I ask the One Lord God for the faith, courage, and strength of surrender to be an intimate servant of the Friend.

Mission Statement

It is the mission of the **Temple of Freedom, Simplicity, Service, Justice and Love** to be of co-service with all those fellow beings who desire to guide their lives and direct their wills, with humor and dedicated service, to peaceful, joyful, soulful work for the establishment of: the Kingdom of Heaven, the City of Peace, the Temple of Love, the Planet of Justice, the Playground of Harmony and Beauty, the Palace of High Level Wellness, the Abundance of All Blessings, and the Fulfillment of God's Purpose here on Earth.

Realization of Oneness

It has been the realization of all those who have been gifted (graced) with God-realization, Mukti, Freedom, Salvation or whatever expression you desire to use, that God is One, the Only Being and that the essence of His/Her creation is the Oneness of all life.

All kingdoms reflect and embody this Oneness:

- **The stone or mineral kingdom**
- **The plant kingdom called *One leggeds* in certain native traditions**
- **The animal kingdom (four leggeds)**
- **The creepy crawlers**
- **The winged ones**
- **The finned ones... fish, dolphins, whales**
- **The fairies or devic kingdom**
- **The angelic kingdom**
- **The human kingdom**

How to Realize Oneness

One of the greatest Avatars to come to Mother Earth has expressed the way succinctly:

Yeshua (Jesus) said,

"When you make the two one, and

when you make the inside like the outside,

and the outside like the inside, and

the above like the below, and

when you make the male and the female one and the same...

then you will enter the Kingdom of God." - Gospel of Thomas
