Union of the Masculine & the Feminine, France 2010

In our Mystical French Adventure we will spend eight days with each other doing several processes and receiving [Oneness Blessings](#) and other special initiations ([Yeshua Magdalene](#) and [Munay Ki](#)) specifically designed to balance and integrate the dual energies of positive and negative, electrical and magnetic, masculine and feminine, solar and lunar, yang and yin. These two forces and forms are inherent in dual creation, and behind them both, the source of each of them, is the One that manifests in Creation with an infinite number of names and forms.

Advantages of experiencing this process in France

When you take the opportunity to spend eight days together you have the time to:

- Prepare the body to receive the energetic initiations in a fuller & more complete way.
- Go more deeply into the processes that enable you to connect with the energies and issues within your being that need healing and integration.
- Honour and appreciate the fact that Life is a Process of "letting go and letting God."
- Spend more time with your peers in spiritual and joy filled communion.
- Give yourself a full week to accept, appreciate & support your innate Beauty & Divinity.

The core or heart of our Mystical French Adventure Theme is expressed by Yeshua himself:

Yeshua (Jesus) said,

"When you make the two one, and

when you make the inside like the outside,

and the outside like the inside, and

the above like the below, and

when you make the male and the female one and the same...

then you will enter the Kingdom of God."

- Gospel of Thomas

To further assist this integration process we will be working in several ways with Amma Bhagavan oils. Divinely inspired and specially formulated, these 2 blends of pure essential oils are designed to help us connect on a deep level with the Divine feminine & the Divine masculine in our Being. Appearing to be separate, the Divine energies are essentially One and they provide the force of Union, Harmony, Healing and Oneness within.

Please join us Friday the 18th of June from 5pm (for a 5:30 pm start) to 12 noon on the 25th of June, 2010 in the Goddess filled Languedoc region of southern France.
