

You are invited to join us for a very special event –  
The screening of the ground breaking new movie by James Twyman

# The Moses Code

**‘The Most Powerful Manifestation Tool in the History of Mankind’**

The purpose of this movie is to give us the tools to manifest our dreams.

Our dream is **PEACE** in the Middle East.

This movie will give us the tools to help make this dream possible.

The movie is released world wide on the weekend of the 5<sup>th</sup>-6<sup>th</sup> of April to bring people together and use the principles given in the movie to help join a vigil and prayer to bring about **PEACE** in the Middle East.

“Can we send a healing current to the Middle East that will help that region turn the corner toward lasting peace? I'm sure Moses thought it was impossible to secure the release of the Israelite slaves from Egypt, but the Code enabled him to achieve the impossible. I believe that we have the same opportunity today, and April 6th will be the day we claim it.” ~ **James Twyman**

Here are the dates and times to join us in Adelaide for the Special Screening of the movie, which will be followed by a **peace prayer and Oneness Blessing**.
